## 25G ADVANCED VITAMIN C EYE CREAM

1. Brightening and evening skin tone: Vitamin C helps reduce dark circles and discoloration, making the under-eye area appear brighter and more even-toned.
2. Anti-aging and wrinkle reduction: Vitamin C's antioxidant properties help reduce fine lines, wrinkles, and crow's feet, giving the skin a smoother and more youthful appearance.
3. Hydration and plumping: Vitamin C helps attract and retain moisture in the skin, leaving the under-eye area looking more plump and radiant.
4. Improved circulation and reduced puffiness: Vitamin C's anti-inflammatory properties can help reduce puffiness and improve circulation, making the under-eye area appear less tired and more refreshed.
5. Antioxidant protection: Vitamin C protects the skin from environmental stressors and damage caused by free radicals, helping to maintain healthy and resilient skin.
6. Collagen production and skin elasticity: Vitamin C is essential for collagen production, which can help improve skin elasticity and firmness in the under-eye area.
7. Dark circle reduction: Vitamin C can help reduce the appearance of dark circles by improving circulation and reducing inflammation.

**PRICE:**  
**R179**

## 25G ADVANCED RETINOL EYE CREAM

1. Anti-aging and wrinkle reduction: Retinol helps reduce fine lines, wrinkles, and crow's feet, giving the skin a smoother and more youthful appearance.
2. Improved skin texture and tone: Retinol promotes cell turnover, removing dead skin cells and revealing brighter, more even-toned skin.
3. Dark circle reduction: Retinol can help reduce the appearance of dark circles by improving circulation and reducing inflammation.
4. Puffiness reduction: Retinol's anti-inflammatory properties can help reduce puffiness and leave the under-eye area looking more refreshed.
5. Collagen production and skin elasticity: Retinol stimulates collagen production, which can help improve skin elasticity and firmness in the under-eye area.
6. Improved skin hydration: Retinol helps attract and retain moisture in the skin, leaving the under-eye area looking more plump and radiant.
7. Antioxidant protection: Retinol protects the skin from environmental stressors and damage caused by free radicals, helping to maintain healthy and resilient skin.

**PRICE:**  
**R179**

## 35ML ADVANCED BRIGHTENING SERUM
